Directions to from JR Nara Station

1. From Nara Station (奈良), take the JR Kansai Line to Kamo Station (加茂). If you are able to catch the Kansai Line Rapid Train (快速), it takes only 17 minutes; or the Yamatoji Rapid Train (大和路快速) takes 14 minutes. If you are unable to do so, Kamo station is only 3 stops from Nara station on the Kansai line, so a non-rapid train should not take too long either.
2. When you arrive at Kamo Station, look for a taxi stand, and ask the driver to take you to our office. Show him this:
